

# KEEP BURLINGTON TELECOM LOCAL!

Own it or Lose it.

Our mission is to ensure the long-term viability of Burlington's world-class fiber to the home network, and to extend its state-of-the-art technology to meet community and business needs through the creation of a **local, member-owned, telecom cooperative.**

- » We need 1000 co-op members, and \$250,000 in member loans.
- » As a member of our co-op, you have the opportunity to influence the way we're run and take a share of our annual profits.
